The main goal of the students is to make sure students leaders are taking responsibility for the environment in their future. These students reach out to the campus as well as the community.	uiuc.ber@gmail.com	uiucber.wixsite.com/businessiner	https://www.facebook.com/uiucber/	8/25/21
Club Insecta	To provide students opportunities to gain valuable experience, participate in community outreach, and have fun through entomological activities.	clubinsecta@gmail.com	https://clubinsecta.wordpress.com/	https://www.facebook.com/clubinsecta/?hc_location=group	8/25/21
Eco Illini Supermileage	This organization challenges students' engineering and analytical skills and raises awareness for our world's energy and environmental needs. Students from all majors are encouraged to join, especially those in design, marketing, engineering and business. For more information visit https://ecoillini.wordpress.com/ and https://www.facebook.com/ecoillini/ .	ecoillini@gmail.com	https://ecoillini.wordpress.com	https://www.facebook.com/ecoillini	8/25/21
Eco-Olympics	Eco-Olympics is a UIUC energy conservation competition between residence halls competing for the coveted trophy and participation award. Eco-Olympics was part of a nation-wide competition platform, Campus Conservation Nationals (CCN) whose goal is to create behavioral change by promoting energy conservation competitions at universities and colleges in the U.S.	ecoolympics@gmail.com		https://www.facebook.com/EcoOlympicsUIUC	8/25/21
Epsilon Eta	The purpose of Epsilon Eta is to foster awareness of the intrinsic relationship between people and their environment through academics, the community, and service. Epsilon Eta seeks to create a networking environment that enables members to utilize the fraternity's resources to enhance their actions as stewards of the environment.	epsiloneta.uiuc@gmail.com	---	https://www.facebook.com/pages/category/Local-Service/Epsilon-Eta-UIUC-1874970342592630/	8/25/21
Fossil Free UIUC	Fossil Free UIUC is a student-run organization that is part of the national Sierra Club Campuses Beyond Coal Campaign. Because burning coal and mining coal for energy is hugely destructive process, these students want to make sure the University of Illinois isn't supporting this process.	uiucbeyondcoal@gmail.com		https://www.facebook.com/FossilFreeUIUC/	8/25/21
From the Ground Up	From the Ground Up (FTGU)'s main mission is to promote sustainability and a greener lifestyle with a restoration focus within the Champaign Urbana community through hands-on projects, interactions with nature, education, and engagement with students and the C-U community. We are determined to create sustainable native ecosystems on campus and surrounding communities through education, restoration practices, and collaborations with other environmental organizations on campus. From the Ground Up has also acquired a 3.7 acre plot of land in the Orchard Downs area in which we have applied for a grant for through the SSC to restore to a native prairie garden. Additionally, Bee Campus UIUC will be a part of From the Ground Up, having its own projects that everyone within FTGU will be working on together.	fromthegroundupuiuc@gmail.com	https://sites.google.com/illinois.edu/fromthegroundup/home	https://instagram.com/uiuc_ftgu?igshid=2mj87ihoxr2n	8/30/21
Hispanic Organization of Urban Studies and the Environment	We are a support network group of students that helps other students with their day to day academic challenges and addresses ways that students can play a role as future professionals.	house.uiuc.president@gmail.com	https://houseillinois.wixsite.com/home	https://www.facebook.com/HOUSEUIUC/	8/26/21
Horticulture Club	A club for all things plant and gardening related. Often has events to sell plants, succulents, etc.	uiuchortclub@gmail.com	http://publish.illinois.edu/horticultureclub/	https://www.facebook.com/hortclub/	8/25/21
Illini Algae Research Group	Students can partner up with graduate students to help work on projects using algae and laboratory techniques to learn about and help advance research currently happening on the University of Illinois campus. Students are encouraged to join for the learning experience and the opportunity to gain laboratory experience working with relevant systems in algae and bioenergy sustainability.	illinialgaeexec@gmail.com	---	https://www.facebook.com/illiniAlgae	8/25/21

Illini Biodiesel Initiative	The Illinois Biodiesel Initiative is a student lead research group that operates in the Integrated Bioprocessing Research Laboratory (IBRL). As a partner of IBRL, our trusted research leads are responsible for the safe and compliant conduct of members that we bring into the lab. Our organization is divided up into several research divisions: Production and Testing, Soap Production, Quality Control, and Special Projects.	uiuc.ibi@gmail.com	https://ibr1.aces.illinois.edu/ibi/	https://www.facebook.com/illinibiodiesel/	8/25/21
Illini Foresters	The Illini Foresters is open to all students interested in the conservation and management of natural resources. The club is involved with and actively participates in many university, college, departmental, and community activities, including volunteer maintenance and cleanup in local parks, controlled burning of tall grass prairies, planting trees, guiding trail walks, assisting local landowners with forest land management plans.	---	https://nres.illinois.edu/undergraduate/organizations/	---	8/25/21
Illini Solar Car	The Illini Solar Car team from the University of Illinois at Urbana-Champaign harnesses the skills from a diverse group of students in engineering and non-engineering fields in pursuit of creating the world's best solar electric vehicle. Through hands-on, interdisciplinary work that fosters real-world applications, we spark sustainable thinking by designing and building a road-legal car to compete in international competitions.	hello@illinisolarcar.com	https://www.illinisolarcar.com/	https://www.facebook.com/illinisolarcar	8/25/21
Illini Wildlife and Conservation Club	The Illini Wildlife and Conservation Club is a perfect fit for students interested in wildlife care and veterinary medicine, conservation, and international travel. Our club schedules local events, such as wet labs at the veterinary college, and hosts speakers ranging from wildlife veterinary researchers to conservation geneticists to international field biologists.	illiniwildlife@gmail.com	https://illinois.collegiatelink.net/organization/iwcc	https://www.facebook.com/illiniwildlife/	8/25/21
Illinois Solar Decathlon	Illinois Solar Decathlon seeks to lead innovation in design and technology to advance towards an environmentally sustainable future. We bridge the legacy of past Illinois competition projects to the development of future successful teams. For our existing homes, we ensure their continual usage as a research and outreach platform. On campus, we engage in projects and foster relationships to educate and develop our organization.	uiucsolardecathlon@gmail.com	https://sites.google.com/illinois.edu/illinois-solar-decathlon	https://www.facebook.com/illinoisolardecathlon	8/25/21
Red Bison	Red Bison is dedicated to the restoration and promotion of natural areas on campus and in the Eastern Illinois region. We protect the environment directly through hands-on work, building healthy ecosystems while we appreciate the outdoors together.	redbison.rso@gmail.com	https://illinois.campuslabs.com/engage/organization/RedBison	https://www.facebook.com/redbisonrso/timeline	8/25/21
Small Farm Club	The Small Farm Club is a group of students interested in sustainable agriculture. During the year, they volunteer at small farms on and off campus, as well as educate each other in the process. Focal points are alternative agricultural techniques and farm-to-table systems.	---	---	https://www.facebook.com/UIUCsmallfarmclub/	8/26/21
Student Sustainability Committee	The Student Sustainability Committee is a group of students dedicated to improving sustainability at the University of Illinois at Urbana-Champaign. With the help of 10 faculty and staff that serve as member-advisors, we meet to review and vote on what projects receive funding and check in on those projects that have already received funding	sustainability-committee@illinois.edu	https://ssc.sustainability.illinois.edu/	https://www.facebook.com/UIUCssc/	8/25/21
Students for Environmental Concerns	To educate and inform students and community members about environmental issues and to work towards positive environmental change on a national, statewide, and local level through service and activism.	uiuc.secs@gmail.com	http://secs-uiuc.blogspot.com	https://www.facebook.com/groups/2200522959/	8/25/21
The Green Observer Magazine	The Green Observer is an entirely student-run magazine that reports on the environmental issues students care about in the local region and beyond. The mission of the Green Observer is two-fold: 1) To inform students of campus environmental news so that they may better participate in research or advocacy 2) To provide students with a platform to practice reporting, writing, editing, drawing, advertising, social media management, design, and journalistic advocacy.	greenobservermagazine@gmail.com	https://issuu.com/greenobserver	https://www.facebook.com/TheGreenObserver	8/25/21

The Recyclops Club	The Recyclops Club hopes to bring the same tenacity and passion that Dwight Schrute brings to his Recyclops character on the TV show The Office to cleaning up our community. We are a group of students dedicated to making our campus as clean, and environmentally friendly as possible. Once a week we will meet in front of the Illini Union in our club shirts, distribute garbage bags, gloves, and trash grabbers, and then target a different area of campus to clean up for 1-2 hours. We will also be recycling all litter that is able to be recycled. After our cleanup session, we will reconvene in an area TBD for refreshments as well as to brainstorm ideas for ways to educate community members on the importance of keeping our beautiful city as clean and eco-friendly as possible.	recyclopsuiuc@gmail.com	---	https://www.facebook.com/RecyclopsClub/	8/25/21
VermiCULTure	vermiCULTure is an environmental organization focused on addressing climate change issues related to food waste management. After winning the World YMCA Climate Action Summit in 2020, this group of YMCA UIUC students founded vermiCULTure. Since 2021, they have been providing free vermicomposting kits to students, faculty, staff, and community members in Champaign, Urbana, and Savoy, Illinois to vermicompost at home, and education materials.	vermiculture.uiuc@gmail.com	https://www.vermiculture.eco/	https://www.instagram.com/vermiculture.uiuc/	8/30/21
Water Environment Federation	BWEF-AWWA at UIUC offers students interested in learning about water related topics an opportunity to learn about some of the great challenges facing the world today. Our mission is to maintain a vested interest in the study of water and continue to learn through guidance and experience provided to us by networking with industry professionals and faculty.	wefawwa.uiuc@gmail.com	https://publish.illinois.edu/wef-awwa-uiuc/members-2/	https://www.facebook.com/groups/wefuiuc/	8/25/21
